Maplelane Farm Bed & Breakfast's dedication to their home shines through in all corners of the house. From its individualized room decorations to the beautiful front and back yards to the delicious meals offered throughout the day.

Staying at Maplelane Farm is a truly memorable and fun experience.

We pride ourselves on taking excellent care of our guests and making them feel at home from the first moment they arrive.

The Maplelane farm house is just over 100 years old and was the original farm on the road. Most of the house has been restored to its original state, with many up-grades.

Consisting of 2 acres with mature trees, Maplelane offers a quiet stay away from the flurry of town life.

Enjoy the gardens and pretty porches that have placed many times in the Community in Bloom contests.

Or just enjoy a relaxing laze in the hot tub.

Visit with the dogs (sometimes puppies) in the kennel or relax in one of our many sitting areas outside. Join us for an early morning walk with the dogs before breakfast.

Each of the detailed rooms offered are equipped with a Ceiling Fan, Satellite TV, DVD, Alarm and two of the rooms have wireless Computers for your comforts.

There are two community washrooms, one with a shower and the other with a Jacuzzi.

Enjoy relaxing in comfy chairs around the dining area with your morning beverage and newspaper, while breakfast is being prepared. The dining table will seat 8-10.

During the summer months, breakfast may be served outside on the deck.

Relax for the evening in front of the woodstove, while watching the activities in the aquarium, reading a book or watching a show on TV.
